BARK RUBBINGS

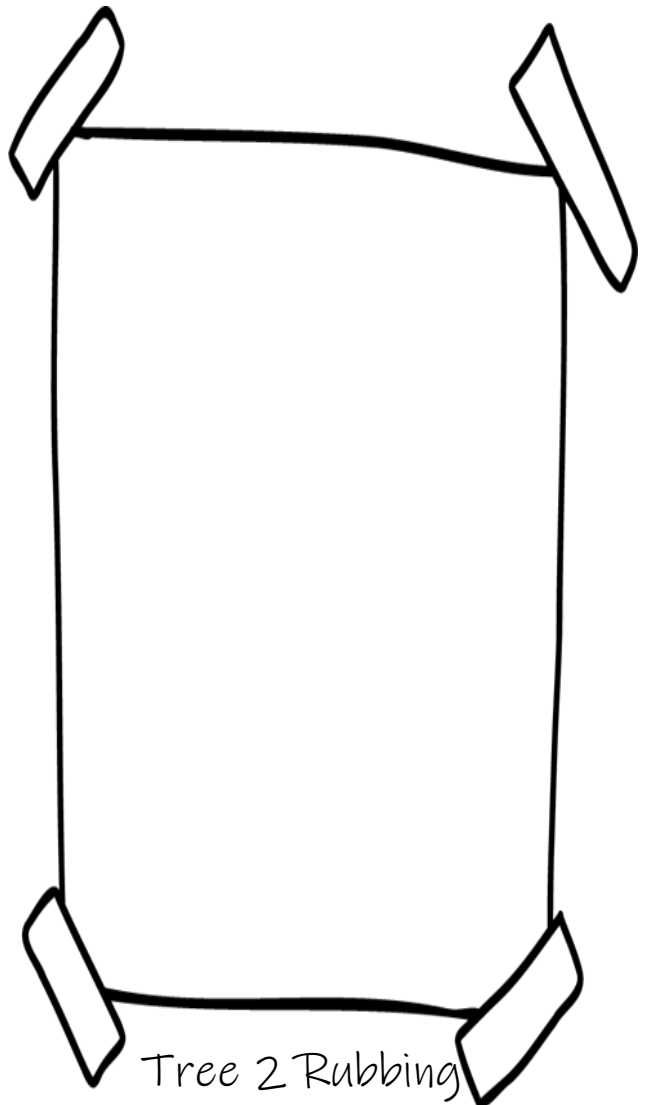

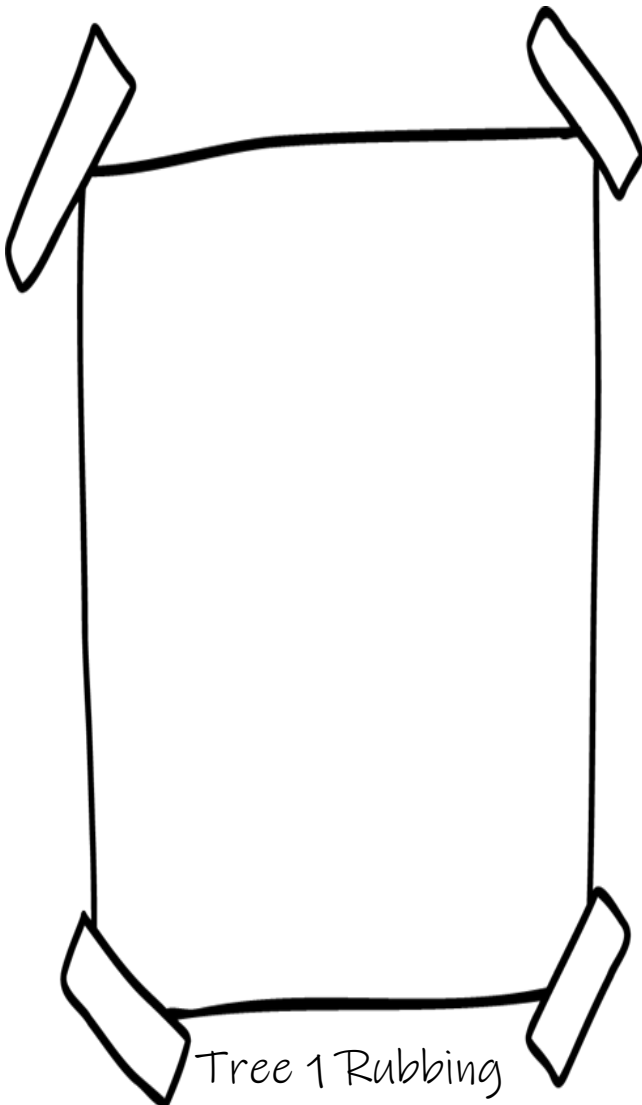

Step 1: Peel the paper from a large crayon, or use a thick piece of sidewalk chalk.

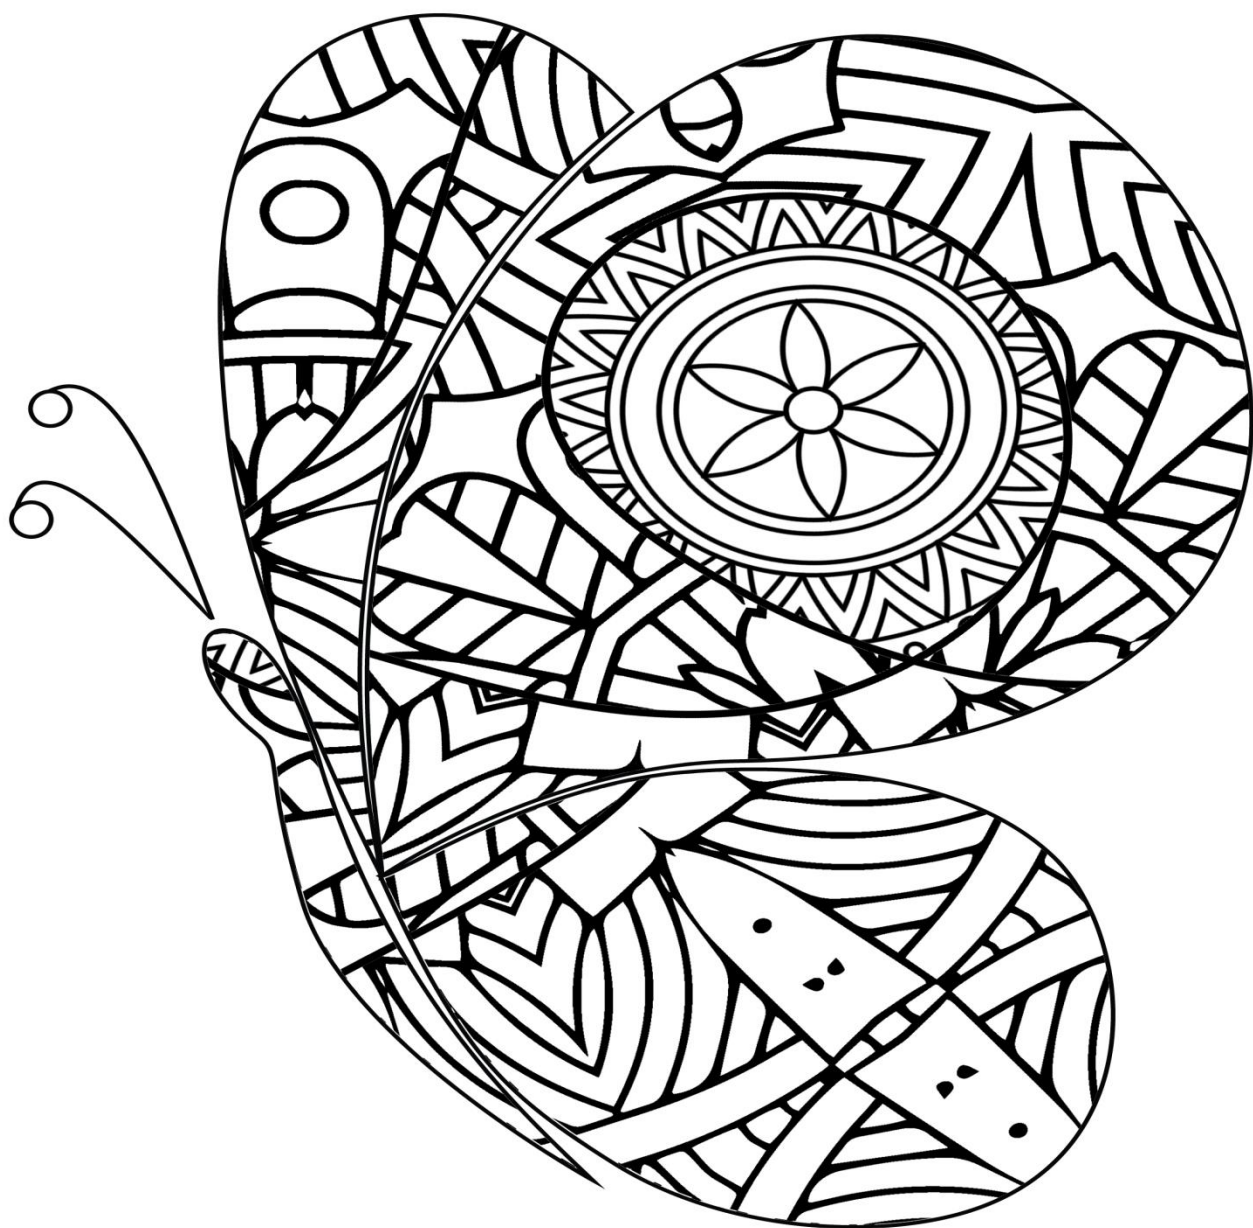

Step 2: Press a sheet of thin paper (like onion paper) up against the bark of a tree.

Step 3: Gently rub the side of the crayon or chalk on the paper until the pattern of the bark shows.

Step 4: Cut out your rubbings and paste in the frames below.

Step 5: Compare rubbings from different trees.

I love chasing
butterflies
in the meadow.
